KEYSTONES

The county road department is now regrading and oiling Normandie. This, with a large number of land sales in this vicinity lends a prosperous air to Keystone. A. F. Thomas and Mrs. Day reported five sales and we know of at least two private sales and four prospective homes to be built soon.

Charles LeBoeuf and wife spent the Fourth at Hermosa Beach and most of the other beaches had their quota of Keystoneites, leaving this vicinity practically deserted for the day.

M. M. Tenner's broken arm is about as good as new again, but W. C. Ritter's broken leg is a more serious affair. Being fractured near the thigh it is mending slowly.

The Fiesel brothers are about through baling a large hay crop. They have 80 acres of fine wheat to harvest and several hundred acres of good limas coming on.

The General Petroleum Co. has about completed the second 500,000 barrel reservoir at Harbor Boulevard and Ocean avenue and it is rumored that they contemplate a large pipe line from their splendid wells at Santa Fe Springs.

Mr. A. F. Thomas, local booster and realty man, is spending a few days at Murietta Springs and incidentally looking after business matters in Riverside.

Mr. Moseley reports a growing business at his Good Eats emporium, many truck drivers finding it a handy place to stop for their meals.

J. P. Scoville, the hustling insurance man, has lately returned to his ranch home on Lucille street and is making an honest effort to insure every home in Keystone.

M. Marcola is preparing to start a milk delivery route in Keystone and Torrance. This will be a welcome feature to many of us who do not keep a cow.

Be sure and see that a committee is appointed at the next Chamber of Commerce meeting to interview the Board of Education in regard to the erection of a new school building.

Several of our local merchants are now advertising in the Herald. This is the right spirit. Patronize all agencies that working for the improvement of our community. Co-operation is a powerful factor in reaching higher levels of economic prosperity.

Begin now to tell your neighbors about local Chamber of Commerce meetings held the first Saturday night of each month. We have a new set of officers and it is your duty to lend them every possible aid. These meetings are highly interesting from both business and social standpoints and every man and woman in Keystone should be present and do their bit toward up-building this community.

MISSION PLAY TO CLOSE

The present season of the Mission Play at San Gabriel will come to a close at the end of this month, the last performance to be given on Sunday afternoon, July 30. It has been the longest season of the play excepting the 1915 season of 44 weeks, and the most successful.

The management advises that reservations for the remaining performances be made without delay because the rush is already on to see the Play before it closes. It is the last chance to see Frederick Warde, the last of the great old actors, this year, in the triumph of his splendid career on the stage.
